Re: Amended October Monthly Report, November Monthly Report

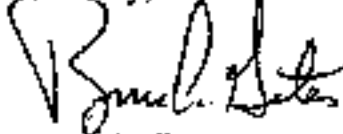

Dear Ms. Kitchen:

I am in receipt of your letter dated March 2, 2001 notifying me that the Committee for the Preservation of Capitalism's Amended October Monthly Report itemized a contribution to Ferguson for Congress as having been made to the primary when the primary had already taken place. The report has now been amended to properly reflect this contribution as a primary debt contribution as it was originally designated.

In addition, you noted two reporting issues with respect to the Committee's November Monthly Report. First, in accordance with your request, the Committee will not itemize contributions from individuals where the aggregate from the contributor is less than \$200 in the future. Second, contributions from candidate committees will, in the future, be properly reported on line 11(c) of the committee's reports as opposed to line 11(a)(i).

Thank you for bringing these matters to our attention.

Sincerely,

Bruce A. Gates
Treasurer
